

ROAD SAFETY MEASURES

Keep your distance.

Observe a safe trailing distance of two seconds between your car and the car in front of you.

Buckle up.

Wear your seat belt at all times. It helps you stay protected.

Observe the speed limit.

This makes it easy for you to stop your vehicle when needed and gives you enough time to react to any changes on the road.

Follow traffic signals.

Prepare to stop at yellow lights and do a full stop at red lights.

Never drink and drive.

Drinking alcohol will only impair your driving. Don't operate a vehicle when you're inebriated.
